Clerk Engagement Organizer Job Description

Overview
For over one hundred years, the ACLU has been at the forefront of every major civil liberties fight in our country’s history. The ACLU of Michigan, founded in 1959, is a nonprofit, nonpartisan, public interest organization dedicated to the defense and expansion of civil liberties and civil rights in Michigan. Whether it’s reducing the prison and jail population, achieving full equality for the LGBTQ community, reducing immigration detention, or ending unjust laws that strip people of their fundamental right to vote, we take up the toughest civil liberties issues to defend all individuals from government abuse and overreach. We are a passionate, highly motivated group of lawyers, public policy experts, lobbyists, community organizers, communicators, and fundraisers, and we’re looking for exceptional talent to join our team.

This is an incredibly exciting time to join the ACLU of Michigan. We are building a more expansive advocacy infrastructure to increase our effectiveness to eradicate racial and social inequities in Michigan by building power from within the communities most impacted. Applicants must be able to recognize ways our identities intersect and play out in the work, especially with communities we serve, and must demonstrate the cultural competency to work with a diverse team as well as with historically marginalized communities. The ideal candidate possesses the necessary judgment to recognize ways the ACLU of Michigan can listen, understand, engage, and use its resources to create equitable change alongside historically marginalized communities.
