Judges

The motion for immediate consideration is GRANTED. The May 25, 2021 bench ruling modifying bond and the June 22, 2021 order effectuating that ruling is VACATED, the district court's bond order is reinstated and this matter is REMANDED to the Kent Circuit Court for further proceedings. MCR 6.106(H)(1) and (2)(b). The record before us calls into question whether the trial court properly considered the factors set forth in MCR 6.106(F)(1) before sua sponte modifying the terms of defendant's pretrial release. On remand, the trial court may modify the bond order if it finds such a modification proper after making appropriate factual findings regarding the factors in MCR 6.106(F)(1). We retain jurisdiction.
