### Arrest at Spectrum Butterworth Hospital

Grand Rapids, MI (November 21, 12:30 PM)

Grand Rapids Police have an adult male in custody after he reportedly gained access to a secure area of Spectrum Health Butterworth Hospital and set a small fire.

At about 8:20 AM the Grand Rapids Police Department was notified by Spectrum Security that a subject was able to gain access to a secure area of the hospital and set a small fire. Spectrum Security was able to take the suspect into custody with no injuries reported and only minimal damage.

Once officers were on-scene, they learned that the fire was set inside the hospital on an upper level used for mechanical purposes. The fire alarm was pulled and the suspect was able to gain access to the roof and helipad, but no fire was set on the helipad.

The Grand Rapids Police Department's Detective Unit has taken custody of the suspect and is currently investigating the incident. The identity of the suspect is being withheld pending formal charges. At this time, Investigators are working with Spectrum to find out how the suspect gained access to the roof and why the fire was started. Investigators wish to convey to the public that there is no additional concern for danger, as it is believed that the suspect was alone and that no one at the hospital was injured.

Would you be available for an interview at 2:30 pm?

And, I understand that you won't be able to say anything more than is in the release. But, if we can at least get that on camera, that will be helpful to us.

### Arrest at Spectrum Butterworth Hospital

Grand Rapids, MI (November 21, 12:30 PM)

Grand Rapids Police have an adult male in custody after he reportedly gained access to a secure area of Spectrum Health Butterworth Hospital and set a small fire.

At about 8:20 AM the Grand Rapids Police Department was notified by Spectrum Security that a subject was able to gain access to a secure area of the hospital and set a small fire. Spectrum Security was able to take the suspect into custody with no injuries reported and only minimal damage.

Once officers were on-scene, they learned that the fire was set inside the hospital on an upper level used for mechanical purposes. The fire alarm was pulled and the suspect was able to gain access to the roof and helipad, but no fire was set on the helipad.

The Grand Rapids Police Department's Detective Unit has taken custody of the suspect and is currently investigating the incident. The identity of the suspect is being withheld pending formal charges. At this time, Investigators are working with Spectrum to find out how the suspect gained access to the roof and why the fire was started. Investigators wish to convey to the public that there is no additional concern for danger, as it is believed that the suspect was alone and that no one at the hospital was injured.

Adam,

Griffin interviewed this suspect on Wednesday afternoon at GRPD. He was in one of the MCT interview rooms so his video should be accessible on Back-end Client. Capt. VanderKooi also mentioned he had been in contact with ICE about this guy. He was going to forward you his email conversation with them. Let me know if you need anything else!

On 11-21-18, Officers responded to Spectrum Butterworth in regards to a subject in custody with Butterworth security who attempted to set a fire inside the hospital.

Upon arrival, officers spoke with Matthew Brinkman who is the chief of security at the hospital. Brinkman explained that the suspect, Gomez had entered the stairwell of the hospital in a manner that was unclear. Gomez then made his way to the 12 floor door that is locked by keypad. It is then believed by Brinkman that the keypad was destroyed by pulling it away from the wall. The sprinkler system above the door was also observed to have black scorch marks around it. At some point, Gomez pulled the fire alarm handle on the 12th floor. This triggered an alarm to security who responded to the area. This alarm came in at 0818hrs.

Security footage of the helipad shows Gomez walk onto the helipad area at about 0821. Gomez stands for a moment and looks around, sets down his backpack, wraps an unknown item around his chest, pick back up his backpack, and walk out the way he came in. Gomez again steps back out into the camera frame for a short time and then again walks back towards the doors to the hospital.

He is then met by John McGarry with hospital security at about 0824hrs. When interviewed, McGarry said when he first observed Gomez he was staring into the sky looking at nothing. He called Gomez over and asked what he was doing on the helipad due to it being restricted area. Gomez stated an alarm went off so he went outside. McGarry stated Gomez had a backpack with him. Inside the backpack were burnt items. Once this was observed Gomez was taken into custody without incident.

Gomez was eventually transported to Police HQ for questioning by Ofc. Rood.

Upon checking with GRCC Police we were advised they do not have camera coverage in that area. They advised that the Van Andel Institute may have a camera pointed in that direction. They were not contacted at this time.

Spectrum Health security was not able to provide a copy of their surveillance video at this time but said they would make that available through Brinkman when needed.

IBO Tech Beaudry processed the scene and collected evidence.

Gomez was charged with  
Arson 20000 or more  
MDOP 100 but less then 20000

I responded to Spectrum Health Hospital Women's Center at the listed adx in reference to an Arson Investigation. The call info provided a subject was in custody for starting a fire on the Hospital Helio-pad.

Upon arrival Ofc J. Johnson and her recruit Ofc. D. Howard were onscene and speaking with Hospital Security. They advised the suspect (Jilmar) entered the stairwell and made his way to the 12th floor where he started a fire, see also their original for additional details.

While onscene at the hospital I was approached by Michael Schmuker, he advised he is the Plant Operations Supervisor and was called due to damage to an electrical item. He noted he did not witness the incident, see original report for additional info.

Security escorted R/o's to the 11th floor where we located Jilmar's back pack and property. Security Officer LaFave was standing by with the property and preserving it for evidence. I checked the property to assure there was nothing dangerous located in the bag. I located his Passport, a pistol purchase permit, gloves with yellow wraps and various clothing. LaFave stood by with the property until IBO arrived, see their follow up.

I met with McGarry on the helio-pad, he advised he was the Officer that took Jilmar into custody. He noted he observed Jilmar on the helio-pad standing about 25 feet from the doorway. McGarry advised he made contact with Jilmar and placed him in HC. McGarry noted Jilmar was cooperative. He advised Jilmar told him he was there to visit an unk person and did not say anything further. McGarry advised Jilmar was escorted to Spectrum's Detention Center where he was secured and still remained.

Spectrum Staff escorted me to the detention center near the adult ER entrance. I met with Security Supervisor Rose, he advised Jilmar had been cooperative and turned over a bag of property to me that I later turned over to Sgt. Griffin and was later turned over to IBO, see also Sgt. Griffin's follow up report.

I made contact with Jilmar in the detention area, I switched out HC, DL/PC and searched his person incident to arrest. Note: I did not locate anything on his person as Security had already searched him and removed his preoperty.

I escorted Jilmar to my cruiser near by with the assistance of Security Ofc Rose. Jilmar was secured and transported to MCT per the directive of Lt. Merrill. I parked in the MP and was assisted by Ofc Bingel as I escorted Jilmar to MCT. I placed him in interview room #1 and advised Sgt. Griffin.

Ofc Johnson and Howard met with additional staff and located the damage on the 12th floor, see also their original report.

I will try and look for it again.....I am assuming he did not say anything earth shattering like, "I was trying to burn down the hospital" because intent was part of the APA's hang up on more serious charges.

Grand Rapids Police have an adult male in custody after he reportedly gained access to a secure area of Spectrum Health Butterworth Hospital and set a small fire. At about 8:20 AM the Grand Rapids Police Department was notified by Spectrum Security that a subject was able to gain access to a secure area of the hospital and set a small fire. Spectrum Security was able to take the suspect into custody with no injuries reported and only minimal damage.

Once officers were on-scene, they learned that the fire was set inside the hospital on an upper level used for mechanical purposes. The fire alarm was pulled and the suspect was able to gain access to the roof and helipad, but no fire was set on the helipad. The Grand Rapids Police Department's Detective Unit has taken custody of the suspect and is currently investigating the incident.

Suspect: Jilmar Benigno  
Ramos-Gomez, WM,

Hi Adam,

The value of the keypad that Jilmar Ramos destroyed is \$120.65. So not even \$200. Unfortunately, it is a really old one. Quick question, how will the psych evaluation of Ramos work? Will that do that while he is in jail and then refer him to community mental health when he gets out?

Thanks,

Sorry, but I am not exactly sure how the mental health evaluation works. I assume that it means if he cannot post bond without first undergoing the mental health evaluation. I see that he is still in custody today so maybe that is in the works.

Hi Adam,

The value of the keypad that Jilmar Ramos destroyed is \$120.65. So not even \$200. Unfortunately, it is a really old one. Quick question, how will the psych evaluation of Ramos work? Will that do that while he is in jail and then refer him to community mental health when he gets out?

Thanks,

Good morning,

I was able to interview that subject at Kent County this morning, and he is a foreign national illegally in the U.S. Thank you for the lead he will be coming into our custody when he is released from his criminal case. Let me or Derek know if you ever have any other good leads.

Thanks,

Grand Rapids Police have an adult male in custody after he reportedly gained access to a secure area of Spectrum Health Butterworth Hospital and set a small fire. At about 8:20 AM the Grand Rapids Police Department was notified by Spectrum Security that a subject was able to gain access to a secure area of the hospital and set a small fire. Spectrum Security was able to take the suspect into custody with no injuries reported and only minimal damage.

Once officers were on-scene, they learned that the fire was set inside the hospital on an upper level used for mechanical purposes. The fire alarm was pulled and the suspect was able to gain access to the roof and helipad, but no fire was set on the helipad. The Grand Rapids Police Department's Detective Unit has taken custody of the suspect and is currently investigating the incident.

Suspect: Jilmar Benigno  
Ramos-Gomez, WM,

DOB : [REDACTED]

Sorry, but I am not exactly sure how the mental health evaluation works. I assume that it means if he cannot post bond without first undergoing the mental health evaluation. I see that he is still in custody today so maybe that is in the works.
