# WHO CAN REGISTER AND VOTE

## Can I vote in Michigan?

You must be registered to vote in order to vote in Michigan.

## Can I register to vote?

You can register to vote for the Michigan Presidential Primary if:

- You are a U.S. citizen;
- You are a resident of a city or township in Michigan for at least 30 days (or will be by March 10, 2020);
- You are at least 18 years old (or will be by March 10, 2020); and
- You are not currently serving a sentence in jail or prison.

## What address do I use to register to vote?

You use the address you consider to be your primary residence. Your primary residence is the place where you sleep most regularly and keep your belongings.

## What if I'm a student?

Students who come from Michigan and attend a school in Michigan can register to vote at their school address or their home address. Students coming from Michigan who attend a school outside of Michigan can still register to vote at their home address in Michigan. Students who are not from Michigan but are attending school in Michigan can register to vote at their school address in Michigan. For questions about registering to vote in other states, check out the resources on voting in that state.

If you have a Michigan driver's license or state ID card and you are registered to vote in Michigan, your voter registration address and the address on your ID will be the same. If you change the address on one, it will automatically change the other. The Secretary of State will mail you a sticker with your new address to place on your license or ID card. Once registered, you can change your address through Michigan's online voter registration system. [www.mi.gov/VoterRegistration](http://www.mi.gov/VoterRegistration)

## What if I'm in jail or was convicted of a crime?

The only time you cannot register and vote is when you are serving a sentence in jail or prison.

You can register and vote:

- If you are in jail but have not been sentenced;
- If you are serving a sentence but are not in jail or prison;
- If you are on probation or parole but are not in jail or prison; or
- If you served your sentence and are no longer in jail or prison.

## What If I am homeless?

If you don't have a home, you can register to vote using a street corner, park, shelter or any other place where you usually stay as your address. You can describe the location using two cross-streets.

It is helpful, but not required, to have a mailing address. This can be a local shelter, advocacy organization, outreach center, or someone who will accept mail for you.

# FREQUENTLY ASKED QUESTIONS

## Where is my absentee ballot?

- Your application was processed by your city or township clerk;
- Your absentee ballot was mailed to you; and
- Whether your absentee ballot was received by your city or township clerk.

Once your absentee ballot is marked “received,” you know that there were no problems and your absentee ballot is ready to be counted.

## **What should I do if I requested an absentee ballot but never received it?**

Call your city or township clerk as soon as possible to cancel your first absentee ballot and request a new one.

Or go to your city or township clerk's office by 4 p.m. on March 9, 2020 to cancel your absentee ballot and get a new one.

Or go to your polling place on Election Day, complete a simple form and vote.

## **What if I received my absentee ballot but then made an error on it or it was lost or destroyed?**

Call your city or township clerk as soon as possible to cancel your first absentee ballot and request a new one.

Or go to your city or township clerk's office by 4 p.m. on March 9, 2020 to cancel your absentee ballot and get a new one. If you have the absentee ballot, because when you made an error it was only partially destroyed, take it with you.

Or go to your polling place on Election Day, fill out a form and vote. If you have the absentee ballot, because when you made an error it was only partially destroyed, take it with you.

## What if I'm not on the voter list at my polling place?

If you have the receipt you received when you registered to vote, show that to the poll worker in order to vote. If you don't have your receipt, give the poll worker your address and ask if you're at the correct polling place. If you are not at the right polling place for your address, go to the correct polling place.

If you are not on the voter list, you can go to the city or township clerk's office with proof of residency and register to vote before 8 p.m. on Election Day. While there, you can vote an absentee ballot in the clerk's office.

If you cannot go to the clerk's office with proof of residency, you can cast what's called a "provisional ballot." To do this, you'll have to swear you believe you previously registered to vote.

If you can provide a photo ID that shows your address in that polling place, your provisional ballot will go into the machine and be counted on Election Day. If not, it will go into an envelope and the clerk will review it after Election Day. You have six days after Election Day to go to the clerk's office with any documentation to show you are registered. You must be provided with a handout explaining this.

## What if I go to the wrong polling place?

Go to the correct polling place by looking it up online at the **Michigan Voter Information Center** [www.mi.gov/vote](http://www.mi.gov/vote) or by calling your city or township clerk before you go vote.

If you arrive at the wrong polling place, ask a poll worker to help you find your correct polling place.

If you aren't registered where you currently live, go to the city or township clerk's office with proof of residency before 8 p.m. on Election Day to register to vote.

## What if I have a problem voting, or someone is trying to intimidate or harass me?

Tell a poll worker immediately. If the poll worker is the problem or they don't address the problem, call your local city or township clerk.

If the city or township clerk doesn't address the problem, call one of the Election Protection hotlines on the back of this guide.

## What if someone challenges my right to vote?

**Step 1:** Ask to be sworn in by the pollworker,

**Step 2:** Answer whatever questions are necessary to establish your eligibility to vote, and

**Step 3:** Vote.

## What if I make a mistake on my ballot or the voting machine malfunctions?

If you make a mistake, ask for a new ballot right away. You have the right to a new ballot if you catch it before your ballot is inserted into the tabulator machine and counted.

If the scanner rejects your ballot, ask for a new one. You have the right to start over.

If the tabulator machine isn't working, you can place your completed ballot into a bin in the tabulator machine. The poll workers will insert your ballot into the tabulator once the machine is working again.
