## **Anticipatory Search Warrant**

State of Michigan SS

County of Wayne

To the Sheriff or any peace officer of said county:

Affiant, Sergeant Daniel Buglo, badge S-444, having subscribed and sworn to an affidavit for a search warrant, and I having under oath examined affiant, am satisfied that probable cause exists:

THEREFORE IN THE NAME OF THE PEOPLE OF THE STATE OF MICHIGAN, I command that you search the following described place, 5141 Rosa Parks Blvd. This location is on the southwest corner of Rosa Parks Blvd. and Bryant and described as a two story, red and gray brick, two story commercial building, commonly know as "Contemporary Art Institute of Detroit." The eastern portion of the building is red brick, and the western half is painted gray brick. This location is in the City of Detroit and the County of Wayne. The door utilized as the main point of entry into and out of the location is located on the north side of the building at the western most corner. There are black silhouettes of people painted on the north side of the building on the gray portion of the building. It is the only door on the north side of the building.. The front of the building (facing Rosa Parks blvd.) has two doors, both secured by black metal security accordion type gates. There is a dark gray awning spanning the length of the front of the building with the words "Contemporary Art Institute of Detroit" stenciled onto it. There is an approx. 6'5" red wood fence encasing the yard south of the building.

Further, to seize, secure, tabulate and make return according to the law the following property and things: All suspected controlled substances, all monies, contraband, books, and paraphernalia used in connection with illegal narcotic trafficking and gambling; alcoholic beverages of any type and the money and profits from same; any photographic, video and audio equipment, computers, hard drives, any data storage devices to store data, commonly used in association with the operation of a "Blind Pig." All firearms used in connection with the above described activities, all ownership occupancy, possession or control of the premises.

Affiant swears to the following facts in support of the issuance of this warrant:

The affiant is a sworn member of the Detroit Police Department, and has been so employed for nineteen years. Affiant is assigned to Vice Enforcement.

Affiant has participated in Narcotic and Vice related raids and along with members of Vice Enforcement, is currently conducting an investigation after receiving a complaint of unlicensed, after hours alcohol sales, and narcotic activity occurring at 5141 Rosa Parks Blvd, commonly known as "Contemporary Art Institute of Detroit."

Vice Enforcement has received complaints of unlicensed after hour alcohol consumption, and illegal narcotic activity occurring at 5141 Rosa Parks Blvd. with heavy activity on the last Friday night of each month and carrying over into the early morning hours of Saturday.

Affiant conducted a review/investigation of said location from March 29, 2008 to May 23, 2008, which revealed the following.

On Saturday, March 29, 2008, at 1:40AM, Vice enforcement conducted a surveillance operation, (moved and fixed) at 5141 Rosa Parks Blvd. in order to investigate a complaint of illegal "Blind Pig" activity that occurs the last Friday of each month. At location, Vice Enforcement officers observed several white males and females entering the location through the side (north) door. Affiant observed one w/m exit a vehicle and conceal what appeared to be a fifth of liquor in his left front pants pocket and proceed to the entrance of the location. Affiant observed a w/f outside of the entrance drinking from a beer bottle. Affiant and partner both smelled a strong odor of marijuana coming from an attached outside patio area where several persons were gathered. Affiant observed approx. 50-60 vehicles parked in front of, on the side of, and in the parking lot north of the location. During our surveillance, affiant and observed approx. 15-20 white males and females enter the location. Music was heard coming from inside the location.

On Saturday, April 26, 2008, at 1:00AM Vice Enforcement conducted an undercover operation at 5141 Rosa Parks Blvd. Lt. Vicki Yost and Sergeant Daniel Buglo, entered the location in order to investigate a complaint of illegal "Blind Pig" activity that occurs the last Friday of each month.

Both officers paid \$5.00 cover charge to a w/m 30-35, heavy set, bald, chin goatee, and paid \$3.00 each for a one month membership and were asked to fill out a membership card.

A w/m/20-25, sitting on a chair at a table near the entrance, entered our membership information into a lap top computer. We were then allowed to enter the location. Both officers approached the bar and observed beer on tap (Budweiser Select) and boxed wine for sale. Both officers purchased a cup of beer for \$3.00 each from a w/f/20-25, shoulder length blonde hair, tattoo on left wrist of Chinese letters. Affiant and partner then mingled with the crowd of approx. 100 people. A live band was playing and a DJ booth was active. Affiant and partner entered the outside fenced in vard, south of the building. Affiant observed several people with cans of beer, liquor bottles, and soda container. All were allowed to be brought in by patrons. Affiant and partner observed several people smoking what appeared to be marijuana (by sight and smell.) Affiant and partner sat at a picnic table and observed a w/m/19-22, named "Dan" take out a baggie of suspected marijuana and roll three marijuana cigarettes. cigarettes were lit and passed around the group sitting/standing around the picnic table. At approx. 0220 hours, affiant purchased another beer from the bar. Affiant and partner exited the location at approx. 0230 hours and observed approx. 10 people standing in line outside of the door, waiting to get in. Vehicles were pulling into the location's parking lot as affiant and partner drove off.

On May 24, 2008 at 2:05AM, Vice Enforcement conducted a surveillance operation (moved and fixed) at 5141 Rosa Parks Blvd. in order to investigate of illegal "Blind Pig" activity that occurs the last Friday of each month. At the location, affiant observed several white males and females entering the location through the side (north) door. Affiant observed approx. 60 vehicles parked on the north side of the location in the street and in the parking lot. Affiant could here voices coming from the fenced-in yard on the south side of the location. Affiant could smell a strong odor of marijuana coming from the fenced-in yard. Two canopies were also set up in the yard. Affiant could hear music coming from inside the location and observed at least three w/ms carrying cans of beer into the location. A w/m/30s, bald, chin goatee beard, appeared to be the door man (as he was on previous occasions.) Affiant watched the location for approx. 15 minutes.

On May 29, 2008, affiant spoke with Ms. Tamara Williams of the Business License Department of Consumers Affairs who stated that the business located at 5141 Rosa Parks Blvd. has not been issued a City of Detroit Business License.

On May 29, 2008, affiant spoke with Police Officer Kenneth Hayes of the Detroit Police Department's Liquor License Unit and inquired into the status of 5141 Rosa Parks Blvd. Affiant was advised that this location has no license on file with the Liquor License Unit. Affiant confirmed this information with Ms. Jean Fickes of the Michigan Liquor Control Commission who stated that the Michigan Liquor Control Commission has not issued a license to 5141 Rosa Parks Blvd.

Wherefore, the affiant has probable cause to believe that the unlicensed facility located at 5141 Rosa Parks Blvd. is operating as an illegal operation, selling alcoholic beverages without a license, allowing the open use of narcotics, specifically but not limited to marijuana, and creates a public nuisance threatening the peace and good order of the neighborhood. This illegal activity has occurred and continues to occur unabated. The affiant also believes that an assortment of contraband will be found inside of the location, based upon affiant's police experience, training, observations made inside of the location, and previous experience in Vice related raids/activity conducted in the City of Detroit

Therefore, the affiant is requesting the granting of this search warrant to aid in the padlocking and abatement of the nuisance activity and the forfeiture of any of the equipment that is used to facilitate the illegal operation. Further based on training and experience, your Affiant knows that this illegal, unlicensed, afterhours business operates at least one (1) to (2) days per month, that being the last Friday of each month and occasionally an additional Friday, and based on previous surveillance and intelligence, this operation operates on Friday nights/Saturday mornings.

Affiant anticipates the above-referenced activity will be occurring during the early morning hours of May 31, 2008. Affiant will enter the location to do further investigation. Should Affiant observe the same type of activity as referenced above — loud music, marijuana use, illegal sales of alcohol—Affiant believe probable cause will exist to execute a search warrant.

- 1.4 A And the other officers at vice, yes.
- 15 Q But you have singled him out, so I take it he was a major 16 source of your information?
- 17 A We were in the same office. We were both sergeants, so 18 most of the guidance came from him.
- 19 Q And having spoken with Sergeant Turner and whatever other 20 officers you spoke with, was your knowledge as to the

- 23 A It's pretty much a complaint-driven unit. It's the

- A I don't remember ever getting a complaint from an outside 15 16 jurisdiction about a strip club. We had a noise complaint 17 from a lady who lived across Eight Mile, I believe in 18 Warren, from a bar that was playing their music too loud 19 at the end of the night, and I guess they kind of spilled 20 out to the parking lot at closing time, and the bar was 21 called Eight Mile Run. And I don't remember the exact 22 location, but it was on Eight Mile. The complaint came 23 from a Warren citizen.

Maybe a precinct commander would call and ask us to do some type of operation, but it 5 was mostly complaint driven, and on a daily basis we would 6 get complaint locations, and if it involved an undercover 7 operation, we would do that. If it involved putting one 8 of our girls out to do a prostitution operation, we would 9 do that. So the majority of it was complaint driven.

- A There's several I want to say code names of officers, of streets, of descriptions of black male, white male, black female, white female. There's a numeric system. I believe I got kind of a cheat sheet of ordinances that are vice specific, you know, things of that nature.
- Let me ask you first of all about the designation of people describing them by both race and gender. Is this something that was specific or peculiar to the vice enforcement unit, or was this common throughout the department in terms of report writing? Let's start with that.
- A I have never used it in a report. I believe it generated from narcotics I don't know how many years ago. Like an 04 I believe is a black male and 04 plus I believe is a black female if I'm remembering correctly, but those are never used in a report. I believe it generated before we had secure radio channels, and those were the codes that were given over the channel; so if anyone would be listening, I guess it would help to throw them off.
- Q You understand we're here in connection with an incident
